

Graphic Kits:

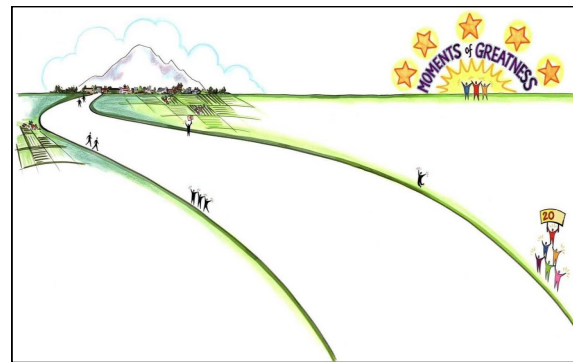

Each Graphic Kit comes with a visual template and *Meeting-in-a-Box* facilitation guide to help you lead a group through your chosen group process.

1. **Template Size:** You select the size of template to work from. Each template is available in a large wall chart format - to focus group attention, capture interest and harvest final results, as well as in smaller formats for individual and small group work.
2. **Facilitator Guide:** The *Meeting-in-a-Box* facilitation guide includes a suggested Agenda Plan, as well as a Detailed Facilitator Process Design to help you plan for and facilitate your group using the selected visual template process for focused and effective outcomes.
3. **Design Options:** Along with the guide, you receive design and agenda options to aid in your facilitation of the process for different size groups.
4. **Helpful Hints:** Includes suggestions on related facilitation processes to lead before and after.
